Mrs. Effa Manley, Business Manager
Newark Eagles
71 Crawford Street
NEWARK 2, New Jersey

Dear Mrs. Manley:

I received your recent letter relative to the opening game of the Newark Eagles Baseball Season Sunday afternoon, May 5th, next, at Ruppert Stadium.

As heretofore, I should have been delighted to participate at this opening event but it so happens that I am leaving today for the West and Southwest in connection with official conferences and conventions on City Planning. Should I return to the City by that weekend, a matter about which I am presently doubtful, I shall be only too glad to attend. In the event I am not back by then, I shall, of course, take steps to be represented.

In the interim, I am leaving instructions with Mr. Silverstein to communicate with you relative to this and also make arrangements for the purchase of a substantial number of tickets for the opening game. As you know, it is my usual policy to subscribe in accordance with my limited means and thus endeavor to do the best I can toward helping make the opening attraction as successful as possible.

I appreciate your kind invitation and wish the Newark Eagles a most successful season.

With kind regards.

Very truly yours,

Vincent J. Murphy
